The Fossil Ridge Public Library is searching for talented high school and middle school artists that would be willing to share their work at our upcoming Art Exhibition (March 23rd and 24th). The purpose of our exhibit is to provide a deeper appreciation for cultural values and to illustrate skills developed through our respective school districts.

Artists may submit up to five works from any medium and may attempt to sell those works to the public for full profit. No entry fee is required, though submission forms (one per piece) are needed and available at no charge on the Fossil Ridge Public Library's website (www.fossilridge.org) Completed forms must be submitted by March 1st, and corresponding art works no later than 19th.

Works will be ranked by a panel of judges for each medium (1st place through 3rd place), as well as a Best in Show award. Fossil Ridge Public Library reserves the right not to display works deemed inappropriate for audiences of any age. For questions, feel free to contact Teen Services Librarian Pam Swanson either by phone or by e-mail (teens@fossilridge.org) or (815-458-2187).

We hope that this experience will help communicate the importance of the arts, continuing education, and appreciating culture in all its forms for students and the surrounding communities.

We thank you for your time and continued support.

Sincerely,

Fossil Ridge Public Library
