In Memory of a Beloved Library Friend.

A few months ago, we learned of the passing of longtime library patron, advocate and friend Rudy Mandat.

Rudy was a familiar and friendly presence at the library. Over the years, he joined us on several field trips, participated in in-house programs, and generously donated books to our Children's Department. He also had a special love for astronomy, always curious about space and the universe beyond us.

We were recently honored to learn that Rudy named the library his primary beneficiary, leaving a generous monetary gift. We are working closely with the Library Board and staff to thoughtfully honor Rudy's legacy and ensure that his passion for books and lifelong learning continues to inspire learning for generations to come.

Thank you, Rudy. We know you're exploring space and the stars, and we are grateful for the light you left behind at the library.

- WINTER READING 2026 -

YETI, SET, READ!

Winter Reading 2026

JANUARY 5 - FEBRUARY 27, 2026

How it works:

Children's Department

When kids and tweens complete their first reading log, they'll earn a small prize and a raffle ticket. That ticket puts them in the running for weekly raffle baskets and the grand prize basket at the end of the Winter Reading Challenge!

Where to turn them in:

Reading logs can be dropped off at the Children's Department desk. Raffle baskets are divided by age group:

- Birth-4 years
- 5-8 years
- 9-12 years

Read more, win more!

After turning in the first completed log, kids and tweens will receive a yeti-themed prize pictured above! They can also grab as many new logs as they want and earn more raffle tickets. The more logs they complete, the more chances they have to win!

Reading chapter books?

Just write the book title at the top of the log and count each chapter as a "book." Easy and fun!

Teens and adults can join the Winter Reading Challenge too!

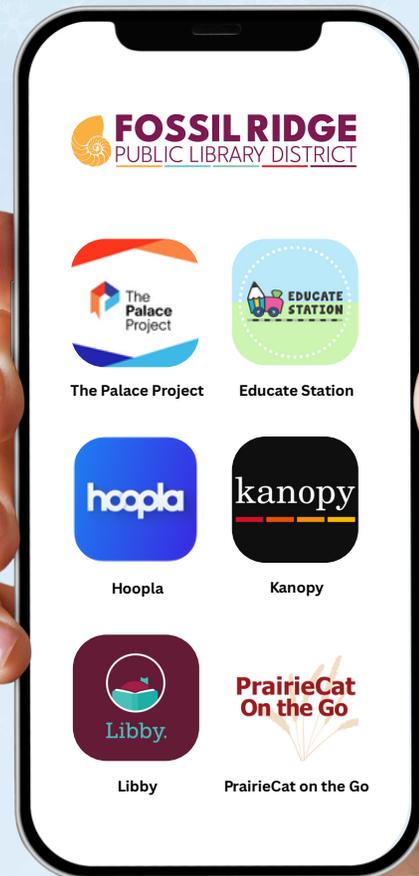

How it works:

1. Stop by the library and pick up a reading log.
2. Read one book and fill out your log.
3. Return the completed log to the library.

Your reward:

Finish the challenge, and you'll receive a 25 oz Ozona aluminum tumbler, perfect for keeping your drinks hot or cold while you read!

One book. One log. One awesome prize. Happy reading!
